

## Monthly Meeting Schedule – September 2010

### North Texas PC Users Group

Dedicated to providing computer information and assistance to computer users, IT professionals and small business owners. We offer many Special Interest Groups (SIGs) that provide tips, tricks and answers to those elusive questions. Non-members are always welcome to visit and participate in SIG meetings. User groups provide an opportunity to network with other computer users and IT professionals.

### 2nd Saturday – Sep 11th

Second Saturday SIGs are held at Microsoft Las Colinas, 7000 Hwy 161 in Irving.

#### **.NET Developers – 9:00 am**

We will continue our study of the new series on Visual Studio C# 2010 begun in August.

#### **SharePoint – 11:30 am**

SharePoint 2010 subject to be determined – Presenter: Ram Yadav.

### 3rd Saturday – Sep 18th

Third Saturday SIGs are held at King of Glory Lutheran Church, 6411 LBJ Fwy in Dallas (between Preston & Hillcrest, north side of LBJ).

#### **Building Websites – 8:00 am**

We will focus on mechanics of and best practices for placing affiliate links on WordPress pages.

#### **Microsoft Excel – 8:00 am**

Topic and presenter to be determined.

#### **Windows Tips & Tricks – 8:00 am**

We will have an open Q&A session. Bring your questions and we'll try to answer them.

#### **IT Professional – 9:00 am**

We will show what level of security Microsoft provides out-of-the-box on a Windows 2008 R2 server.

#### **Making Money on the Internet – 9:00 am**

We will focus on responsibilities of affiliates to disclose any relationship with any merchant to whom they may refer visitors and from whom they may receive any kind of compensation.

#### **Linux Installation Project – 9:00 – 12:00**

Bring your computer and we'll help you set up and perfect *your* Linux installation.

#### **Digital Photography – 10:00 am**

We have an ultimate goal: to make better images. We work with newbies and well-established photographers to learn more, do better, and enjoy our efforts.

#### **Microsoft Expression Web – 10:00 am**

Chris has been making changes to our website. Come learn about what has been changed and how.

#### **PowerShell – 10:00 am**

Gil and Larry will share a few of their most recent PowerShell scripts.

#### **Digital Photo Editing – 11:00 am**

We have an ultimate goal: to make better images. We work with newbies and well-established photographers to learn more, do better, and enjoy our efforts.

#### **Internet – 11:00 am**

In this session we'll demonstrate how Outlook rules can help you filter and control incoming e-mail.

#### **Microsoft Access – 11:00 am**

"Simple Membership DB, Part II" – Data and functional details of the application presented by Larry Linson.

#### **Linux Main Presentation – 11:00 – 12:00**

Topic and presenter to be announced.

#### **Wireless Communications – 11:00 am**

We will talk about sources of emergency power and renewable energy you can buy for less than \$500.00.

#### **Windows Inside/Out – 12:30 pm**

How to make XP computers share files with Windows 7.

#### **Investors – 1:30 pm**

We will have an open Q&A session. Bring your questions and we'll try to answer them.

#### **.NET Certification Study Group – 1:30**

Topic and presenter to be determined.
